Re: Daniel Alderson, Legal Assistant for the Firm

I am writing the letter regarding Daniel Alderson, Legal Assistant. I am very pleased that he was the chosen Legal Assistant for your company to work with me regarding my car accident. He has done a great job as far as keeping me abreast as to what is going on with my case and answering any questions that I might have. I found him to be very professional and knowledgeable in his field. It's been a great pleasure to be working with him. I would highly recommend him to any of your clients and future clients (smile). Thank You.

Again ~~thank~~ you very much.
