

April 2004

Dear Tracy,
Thank you very much for meeting with myself and my family on Saturday. I greatly appreciate your kindness and sincerity regarding my mother and my case. As you can tell this has been pretty traumatic to my family. Any kind of compassion we get from your firm in the last couple weeks beats out the last 6 months. Thank you. I hope you have enjoyed your time in Hawaii and that Passover was enjoyable and lovely. Thank you again for your time, compassion and expertise. See you soon. ☺

Have a peaceful,
pretty,
perfect,
plentiful,
prayerful
Passover!

Sincerely,
April
